

How do I log in to EBSCO Discovery using my Google account?

Step 1. When on-campus, click on **EBSCO Discovery**. Links can be found on:

Moodle (on the **Library's e-resources** page, and via the **Links** menu)
Student Portal (on the **Libraries** page)

You may also find a direct link on your Google Classroom page if your tutor has added the link.

You can also access EBSCO directly via: goo.gl/8gv2Bw

Step 2. Click on **Sign In to Save**

A blue rectangular button with a yellow folder icon on the left and the text "Sign In to Save Results" in white.

Step 3. Click **Sign In to EBSCO Host**

A blue rectangular button with a white border containing the text "Sign In to My EBSCOhost." in blue.

Step 4. Click **Sign in with Google**

A blue rectangular button with the Google "G" logo on the left and the text "Sign in with Google" in white.

Step 5. Enter your Google email address and click **Next**

Step 6. Enter your Google password and click **Next**

Step 7. Agree to the collection of personal data by EBSCO ("Yes, I consent...") and click **Continue**.

You will now be able to sign in to EBSCO off-campus, just using your Google login.
